HELLO, AGAIN --- The next meeting of MRAC will be on February 23, 1989, at the Wauwatosa Savings and Loan Building, 7500 W. State St. The time --- 7:30PM. The doors will be open at 7:00PM for general get-togethers before the meeting starts.

The speaker for the evening will be Fred Linn, W9NZF. Fred will talk about old communication receivers. His display of early model receivers at the club's table in Waukesha was quite interesting. I'm sure his presentation at our next meeting will be, too.

The PR Committee, under the capable leadership of Roger Zaun, W9UVV, did a magnificent job with the MRAC table at the WARAC Swapfest. Thanks to all who helped. Terrific job.

Enclosed is an up-to-date roster. The cover page has a listing by name. The rest of the roster is by call. We will keep the roster up-dated through the Hamateur Chatter. Any changes or corrections can be made by calling 546-0647 or 545-6299.

The licensing school, run by MRAC, will start on February 22, 1989. Classes for all grades of license will be taught. We are still accepting applications. We will, also, accept walk-ins but the people who are pre-registered will get preference if the classes get to crowded. Information can be obtained by calling 546-0647 or 545-6299.

I had a phone call from a lady who wanted to give away a 60-foot self-supporting tower. Call 546-0647 for further info.

Thanks to Ed Wille, W9PWG, for conducting an impromptu seminar on TVI and RFI at our last meeting. Thanks, Ed, for a job well done.

The MRAC VEC/9 will be conducting license exams the first Wednesday of every month until June. The location Wauwatosa East High School, room 256. The time, 7:00PM. The fee--\$4.75. Bring your current license, two photo-copies and two forms of identification. The High School is at 74th and Milwaukee Ave. Use the south entrance on the east side of the building.

Still looking for stuff to put in this fine publication. If there is something you want to see in the Hamateur Chatter call 546-0647.
